Offerings of the Heart Shawn Israel Zevit, 2005-09-06. Nadiv Lev. Offerings of the Heart. This phrase sets the tone for the Jewish spiritual perspective that money is a tool for actualizing God's presence in the world. Building on this core value and setting aside the financial/spiritual split with which many congregational leaders operate, Rabbi Shawn Zevit brings the depth and breadth of Jewish teachings on money and the spiritual life to all faith communities. This book provides texts and tools to help clergy, staff and lay leaders of congregations of any faith approach financial and other resources as core means to build and maintain whole and holy lives in a communal setting. Zevit demonstrates how faith communities can create values-based approaches to developing and managing financial and human resources that are rooted in the very sacred traditions, principles and impulses that bring us together. Rabbi Shawn Zevit has gathered much of the wisdom of the Jewish community learned through four millennia of life with God. He shows us the rich thought and experience. Hebrew scriptures and traditions contribute for all who seek to be faithful in the use of money in their communities. A deep understanding of generosity and giving is brought to bear on the practicalities of budgets, planning and reaching out in deeds of justice and mercy.
