**Jesus Speaking** Gina Lake, 2018-11-02 Jesus still exists and is and has always been available to those who are open to him In this channeled book Jesus speaks to us from another dimension to awaken Christ Consciousness within us Christ Consciousness refers to enlightenment or the realization of our oneness with all and our inherent divinity exemplified by Jesus Christ Jesus lived what he taught and he taught from a higher consciousness one free of ego Jesus was an example of what we all can be a model of what is possible for every human being and the messages in this book show us how we can become more Christ like and live as he did These messages are also intended to give you the experience of having a relationship with Jesus as he speaks to you as if you were sitting in his presence The channeled messages from Jesus which this book is based on were part of weekly online video meetings where Gina Lake and her husband who is also a nondual spiritual teacher give what they call Christ

*How Did Jesus Know He Was God?* William Chami, 2020-04-02 The self consciousness and human knowledge of Christ is a contemporary christological issue which seeks to understand the awareness that the God man Jesus Christ possessed of himself during his life on earth The present question primarily concerns itself with exploring how the Son knows that he is the Son in his human mind Traditionally this question has been asked and answered that through the beatific vision the Son knew himself as divine in his human mind However recent theories advanced by scholars seem to preclude any notion of beatific knowledge in the Incarnate Son This book explores the perspectives of three main authors Jacques Maritain Karl Rahner and Thomas Weinandy in relation to the present question and attempts to provide an answer for how the Incarnate Son apprehended his divine identity through his human operations Considered also is the scope of Christ s human knowledge with regard to two specific objects of knowledge These concern whether the Son as man had an awareness of those for whom he gave his life Gal 2 20 and whether the Son was really ignorant of the eschatological final day and hour Mark 13 32 Matt 24 36

Christ Consciousness Danielle Van Dijk, 2010-04 We live in a world characterized by intolerance war environmental degradation and economic collapse By contrast is it possible to build a society in which tolerance love and peace are the abiding principles In this positive and inspiring book van Dijk shows how beginning with our personal development we can contribute to such a new and transformed world She describes how we can develop a universal spiritual consciousness what she calls Christ Consciousness The author emphasizes that the Christian mysteries took place on the physical plane distinguishing with great clarity between Jesus as a human being the incarnation of Christ on Earth and the Cosmic Christ She builds bridges between the spiritual research of Rudolf Steiner the Nag Hammadi writings and the gospels of Mary Magdalene and Judas culminating in a comprehensive and wide ranging picture of the Christ By gaining insight into the nature of Christ s being and undertaking practical exercises described here each of us can achieve the new Christ Consciousness In ancient times selected individuals underwent rites of initiation in secret mystery schools Any student who made public the knowledge obtained there was put to death In our time however the spiritual mysteries have become open and available to all Initiation van Dijk tells us involves walking the inner path to all embracing love which is known in

**Transformative Lutheran Theologies** Mary J. Streufert, 2010 The first of its kind this book is a systematic presentation of Lutheran feminist womanist and mujerista theologies systematic in that it addresses classical loci of systematic theology contemporary in that it is resoundingly constructive and relevant for the contemporary church and feminist in that the contributors write from a feminist perspective although they reflect a variety of positions within feminist discourse The contributors to this multi authored work share a common commitment to Lutheran theology as a continual process of reform Luther is a partner in the conversation because of his theological insights and commitment to faithful criticism which the writers seek to continue not because his voice settles a debate The book focuses on central themes that Luther addressed and that are representative of Lutheranism today including justification by grace through faith and Luther s theology of the cross From diverse contexts these Lutheran theologians like Luther seek reformation by giving voice to new perspectives in theology that continue to transform the church and the world Along with Mary J Streufert contributors include Krista E Hughes Kathryn A Kleinhans Kristen E Kvam L DeAne Lagerquist Mary E Lowe Lois Malcolm Anna Mercedes Cynthia Moe Lobeda Cheryl M Peterson Mary Joy Philip Caryn D Riswold Deanna A Thompson Marit Trelstad Alicia Vargas and Beverly Wallace A remarkable addition to the rich history of Lutheran theology Not only have these theologians opened doors to fresh new worlds of Lutheran thought they ve done so in a way that honors the past by extending it forward I can t wait to use *Transformative Lutheran Theologies* in class I ve been waiting twenty years for a text like this Imagine teaching Luther s thought and placing it by side with these cutting edge essays Luther would no doubt be proud maybe even a bit envious Serene Jones President and Roosevelt Professor of Systematic Theology Union Theological Seminary New York
