**Consent** Vanessa Springora, 2021-02-16 Consent is a Molotov cocktail flung at the face of the French establishment a work of dazzling highly controlled fury By every conceivable metric her book is a triumph The New York Times Already an international literary sensation an intimate and powerful memoir of a young French teenage girl s relationship with a famous much older male writer a universal MeToo story of power manipulation trauma recovery and resiliency that exposes the hypocrisy of a culture that has allowed the sexual abuse of minors to occur unchecked Sometimes all it takes is a single voice to shatter the silence of complicity Thirty years ago Vanessa Springora was the teenage muse of one of the country s most celebrated writers a footnote in the narrative of a very influential man in the French literary world At the end of 2019 as women around the world began to speak out Vanessa now in her forties and the director of one of France s leading publishing houses decided to reclaim her own story offering her perspective of those events sharply known Consent is the story of one precocious young girl s stolen adolescence Devastating in its honesty Vanessa s painstakingly memoir lays bare the cultural attitudes and circumstances that made it possible for a thirteen year old girl to become involved with a fifty year old man who happened to be a notable writer As she recalls the events of her childhood and her seduction by one of her country s most notable writers Vanessa reflects on the ways in which this disturbing relationship changed and affected her as she grew older Drawing parallels between children s fairy tales and French history and her personal life Vanessa offers an intimate and absorbing look at the meaning of love and consent and the toll of trauma and the power of healing in women s lives Ultimately she offers a forceful indictment of a chauvinistic literary world that has for too long accepted and helped perpetuate gender inequality and the exploitation and sexual abuse of children Translated from the French by Natasha Lehrer One of the belated truths that emerges from Consent is that Springora is a writer Her sentences gleam like metal each chapter snaps shut with the clean brutality of a latch The New Yorker Consent is rapier sharp written with restraint elegance and brevity The Times London Consent has something steely in its heart and it departs from the typical American memoir of childhood abuse in exhilarating ways Slate Lucid and nuanced Consent will speak to trauma survivors everywhere Los Angeles Review of Books A piercing memoir about the sexually abusive relationship she endured at age 14 with a 50 year old writer This chilling account will linger with readers long after the last page is turned Publishers Weekly Springora s lucid account is a commanding discussion of sexual abuse and victimization and a powerful act of reclamation Booklist A chilling story of child abuse and the sophisticated Parisians who looked the other way Springora is an elegant and perceptive writer Kirkus
