Developing A Public Faith New Directions In Practical Theology:

Developing a Public Faith Friedrich Schweitzer, Richard Osmer, 2003-12-01 This collection of fifteen essays honors James Fowler the best known voice on faith development Each essay explores faith development theory with a particular interest in extending Fowler s most original idea Fowler s broad and encompassing attention to the four mutually influential tasks of practical theology has mirrored new understandings of the field of the last few decades The Oxford Handbook of Religion and American Education Michael D. Waggoner, Nathan C. Walker, 2018-08-01 From the founding of Harvard College in 1636 as a mission for training young clergy to the landmark 1968 Supreme Court decision in Epperson v Arkansas which struck down the state s ban on teaching evolution in schools religion and education in the United States have been inextricably linked Still today new fights emerge over the rights and limitations of religion in the classroom The Oxford Handbook of Religion and American Education brings together preeminent scholars from the fields of religion education law and political science to craft a comprehensive survey and assessment of the study of religion and education in the United States The essays in the first part develop six distinct conceptual lenses through which to view American education including Privatism Secularism Pluralism Religious Literacy Religious Liberty and Democracy The following four parts expand on these concepts in a diverse range of educational frames public schools faith based K 12 education higher education and lifespan faith development Designed for a diverse and interdisciplinary audience this addition to the Oxford Handbook series sets for itself a broad goal of understanding the place of religion and education in a modern democracy **The Handbook of Spiritual Development in Childhood and Adolescence** Eugene C. Roehlkepartain, 2006 With sixty seven scholars from four continents and many diverse disciplines contributing as authors to the volume with fourteen scholars from around the world serving as editorial advisors with financial support provided by the John Templeton Foundation via Search Institute with frequent conversations occurring with colleagues at Fuller Theological Seminary and with the careful attention of editorial work provided by Sage publications this handbook provides a remarkable contribution toward those ends JOURNAL OF YOUTH AND THEOLOGY Research into spiritual development during childhood and adolescence has yearned for the stimulus of integration cross fertilization and internationalization across conceptual boundaries methodological divisions religious traditions and local interests The Handbook of Spiritual Development in Childhood and Adolescence sets out to meet this need and does so with skill and with authority by identifying the key themes and by drawing on the best minds to address those themes Research communities and faith communities have been well served by this pioneering initiative The Revd Professor Leslie J Francis PhD ScD DD University of Wales Bangor UK The Handbook of Spiritual Development in Childhood and Adolescence breaks new ground by articulating the state of knowledge in the area of childhood and adolescent spiritual development Featuring a rich array of theory and research from an international assortment of leading social scientists in multiple disciplines this book represents work from diverse traditions and approaches making it an

invaluable resource for scholars across a variety of disciplines and organizations Key Features Presents a wealth of interdisciplinary theory and research as well as proposals for future areas of inquiry to help move spiritual development into a mainstream field of learning Provides the first comprehensive collection of social science research on spiritual development in childhood and adolescence to introduce the topic engagingly to students Features the works of scholars from around the world in multiple disciplines psychology sociology anthropology medicine and educational philosophy to present a diversity of traditions and approaches Includes introductions to the volume as well as to each section that provide overviews and syntheses of key concepts The Handbook of Spiritual Development in Childhood and Adolescence is a key resource for academics researchers and students in departments of Psychology Family Studies and Religious Studies It is particularly useful for courses in Developmental Psychology Human Development especially child and adolescent development Psychology of Religion and Sociology of Religion It also will be invaluable for professionals working with young people including educators religious leaders and health practitioners

Peace Education and Religious Plurality Robert Jackson, Satoko Fujiwara, 2013-10-18 Does religion bring peace or war In order to discuss this fundamental question it is essential to reflect upon religious education that shapes the views of religion among young generations This book has developed from the special panel on Religious Education and Peace for the 19th World Congress of the International Association for the History of Religions IAHR the largest international organization in religious studies which took place in Tokyo in March 2005 Its international contributors discuss the kinds of religious education used for peace education that is attempted or needed in their respective societies faced with tensions and conflicts not only between different religions but also between religion and secularism This is the first book in the field that includes both Asian and Western writers from Korea Japan Indonesia Israel Germany Spain UK and USA It is an innovative attempt to build a bridge between the study of religion religious education and peace education This book was previously published as a special issue of British Journal of Religious Education

International Handbook of Education for Spirituality, Care and Wellbeing Marian de Souza, LESLIE J. FRANCIS, James O'Higgins-Norman, Daniel G. Scott, 2009-10-13 Acknowledging and understanding spiritual formation is vital in contemporary education This book explores the dynamic relationship between education and wellbeing It examines the theory underpinning the practice of education in different societies where spirituality and care are believed to be at the heart of all educational experiences The book recognizes that regardless of the context or type of educational experience education is a caring activity in which the development of the whole person body mind and spirit is a central aim for teachers and educators in both formal and informal learning The chapters in this handbook present and discuss topics that focus on spirituality as an integral part of human experience and consequently essential to educational programs which aim to address personal and communal identity foster resilience empathy and compassion and promote meaning and connectedness

Semantics and Psychology of Spirituality Heinz Streib, Ralph W. Hood, Jr., 2015-10-16 This book examines

what people mean when they say they are spiritual It looks at the semantics of spirituality the visibility of reasons for spiritual preference in biographies in psychological dispositions in cultural differences between Germany and the US and in gender differences It also examines the kind of biographical consequences that are associated with spirituality The book reports the results of an online questionnaire filled out by 773 respondents in Germany and 1113 in the US personal interviews with a selected group of more than 100 persons and an experiment Based on the data collected it reports results that are relevant for a number of scientific and practical disciplines It makes a contribution to the semantics of everyday religious language and to the cross cultural study of religion and to many related fields as well because spirituality is evaluated in relation to personality mysticism well being religious styles generativity attachment biography and atheism The book draws attention to the new and ever changing ways in which people give names to their ultimate concern and symbolize their experiences of transcendence

Educating Clergy Charles R. Foster,2006 Based on extensive literary and field research involving surveys classroom observations and interviews with faculty students and administrators in Roman Catholic mainline and evangelical Protestant and Reform and Conservative Jewish seminaries *Educating Clergy* explores the influence of their historic traditions and academic settings in contemporary classroom and communal pedagogies The book describes elements in classroom pedagogies shared across these religious traditions that distinctively integrate the cognitive practical and normative apprenticeships to be found in all forms of professional education
