Developing Advanced Literacy In First And Second Languages Meaning With Power:

Developing Advanced Literacy in First and Second Languages Mary J. Schleppegrell, M. Cecilia Colombi, 2005-04-11 This book addresses the linguistic challenges faced by diverse populations of students at the secondary and post secondary levels as they engage in academic tasks requiring advanced levels of reading and writing Learning to use language in ways that meet academic expectations is a challenge for students who have had little exposure and opportunity to use such language outside of school Although much is known about emergent literacy in the early years of schooling much less has been written about the development of advanced literacy as students move into secondary education and beyond Developing Advanced Literacy in First and Second Languages Meaning With Power brings together work on first and second language acquisition and emphasizes the importance of developing advanced literacy in the first language such as Spanish for bilingual students as well as English spans a range of theoretical orientations and analytic approaches drawing on work in systemic functional linguistics genre theory and sociocultural perspectives addresses the content areas of science history and language arts provides specific information about genres and grammatical features in these content areas and presents suggestions for teacher education What unites the contributors to this volume is their shared commitment to a view of literacy that emphasizes both the social contexts and the linguistic challenges The chapters collected in this volume contribute in important ways to research and pedagogy on advanced literacy development for the multilingual and multicultural students in today s classrooms This book is particularly useful for researchers and students in language and education applied linguistics and others concerned with issues and challenges of advanced literacy development in first and second languages

Language Use and Language Learning in CLIL Classrooms Christiane Dalton-Puffer, Tarja Nikula, Ute Smit, 2010-12-15 This volume explores a highly topical issue in second and foreign language education the spreading practice in mainstream education to teach content subjects through a foreign language CLIL has been enthusiastically embraced as a language enrichment measure in many contexts and finally research can offer principled insights into its dynamics and potentials The editors introductory and concluding chapters offer a synthesis of current CLIL research as well as a critical discussion of unresolved issues relating both to theoretical concerns and research practice The individual contributions by authors from a range of European contexts report on current empirical research in this dynamic field The focus of these chapters ranges from theoretical to empirical from learning outcomes to classroom talk examining both the written and spoken mode across secondary and tertiary educational contexts This volume is a valuable resource not only for researchers and teachers but also for policy makers

Bilingual Learners and Social Equity Ruth Harman, 2017-08-13 This volume explores how educators conceptualized and implemented critical approaches to systemic functional linguistics that support bilingual students in appropriating and challenging dominant knowledge domains in K 16 contexts The researchers exhibit a shared commitment to enacting a culturally sustaining SFL praxis that validates multilingual meaning making pushes against social inequity and

fosters creative re mixing of available semiotic resources It should prove a valuable resource for students teachers and researchers interested in applied linguistics education and critical theory

Spanish as a Heritage Language in the United States Sara M. Beaudrie, Marta Fairclough, 2012-11-13 There is growing interest in heritage language learners individuals who have a personal or familial connection to a nonmajority language Spanish learners represent the largest segment of this population in the United States In this comprehensive volume experts offer an interdisciplinary overview of research on Spanish as a heritage language in the United States They also address the central role of education within the field Contributors offer a wealth of resources for teachers while proposing future directions for scholarship

Supporting Multilingual Learners' Academic Language Development Luciana C. de Oliveira, 2023-04-13 A practical and comprehensive resource Supporting Multilingual Learners Academic Language Development A Language Based Approach to Content Instruction introduces an accessible language based approach to teaching academic language to multilingual learners across the content areas Luciana C de Oliveira provides elementary school teachers with everything they need to know to successfully teach grade level content to multilingual learners Chapters are organized by subject addressing the specific language demands of teaching English language arts social studies mathematics and science Each chapter features examples of implementation in grades K 5 practical strategies and a wealth of tables figures and other resources The Language Based Approach to Content Instruction LACI in this book provides teachers with a ready to use framework of six scaffolding elements that serves as a guide to enable multilingual learners to meet the grade level standard of their peers without simplification Aligned with WIDA and CCSS standards this resource provides the tools and methods teachers need to support multilingual learners academic language development in the content area classroom
