Developing A Character Education Program One School Districts Experience:

Developing a Character Education Program Henry A. Huffman,1994 **Character Education Connections for School, Home, and Community** Diane Stirling,Georgia Archibald,Linda McKay,Shelley Berg,2000 This book is a clear concise holistic resource for classroom teachers with a thoughtful collection of approaches to integrating character education into daily learning and school life Resources in Education ,1995-05 Connecting Character to Conduct Rita Stein,2000 The decisions today s students make ripple outward to their immediate family and school community How can we help students make the right decisions and do the right things Test preparation and academic rigor alone cannot help our students learn well Metal detectors and surveillance equipment alone cannot keep schools safe Learning and safety are inextricably connected to the fundamentals of character and conduct When we help students make the connection between character and conduct we begin to offer them a safe environment conducive to learning In Connecting Character to Conduct the authors show how to connect character conduct and your school s curriculum By adopting the principles of respect impulse control compassion and equity the school community including bus drivers cafeteria workers students parents teachers and principals can promote safety and learning inside and beyond the school walls These guiding principles are not an add on to an already full curriculum Through their connection to moral development language arts systems citizenship and discipline they are part of a standards driven curriculum and instructional program The authors with expertise as classroom teachers administrators counselors and psychologists show you how students at all grade levels can succeed and learn to do the right things Our students depend on us to help them learn and stay safe Their future and ours depends on how well we succeed **Character and Community Development** Gordon G. Vessels,1998-08-27 This book provides the conceptual theoretical and methodological foundation that teachers principals professors and students preparing for teaching will need in order to be informed and effective planners and evaluators of character education programs and good character educators Through its clear definition of terms review of Constitutional and public support comparative analysis of philosophical approaches synthesis of many relevant theories of child development K 12 core curriculum description of many instructional strategies and methodology for program evaluation this handbook effectively prepares prospective program planners and character educators to create comprehensive programs that are developmentally appropriate adapted to the unique needs and characteristics of school communities and soundly evaluated Dr Vessels presents a wide range of options developmental and practical guidelines for choosing from among these options and a creative core curriculum and evaluation technology that he hopes school community members will find useful for their particular school or system **Character Education** Edward F. DeRoche,Mary M. Williams,2001-05-23 Contemporary schools require far more than just the three R s Beyond the books and tests educational facilities are expected to produce members of society with integrity as well Character education is an abstract idea that many educators both teachers and administrators have a difficult time implementing and

too often it gets left out of the curriculum How do school personnel then instill values of good character in students and as an administrator how do you spread these values to the entire school DeRoche and Williams provide school leaders with an effective road map touring schools that have achieved success The authors divide the reader s journey through reform efforts into several tour stops beginning with a review of the character education framework passing through subjects such as school climate core values training personnel forming relationships and concluding with guidelines for evaluation Each stop contains a list of helpful articles or books as well as valuable Internet resources The conclusion of the journey is ultimately the responsibility of school leaders but this book will give you a head start **Character Education** ,1999 Conceptual and Practical Issues in School Leadership: Insights and Innovations from the U.S. and Abroad Vivian Williams,1998-12-14 Authors who have been involved in developing new strategies for leadership practice provide perspectives on educational change and current experience in the United Kingdom Israel and the United States Their personally significant themes demonstrate that in response to fundamental change new leadership cultures are essential to the development of more effective schools For school communities and practitioners these changes bring new responsibilities together with associated opportunities for professional leadership at school level It is hoped these international perspectives will enhance understanding of the positive realities of earned leadership processes and contribute to a clarifying dialogue along the professional highway toward more effective schools *ERS Bulletin* Educational Research Service (Arlington, Va.),1993 Information Legislative Service ,1996 Educating Hearts and Minds Edward F.
